Water disruption in KL and Selangor

KUALA LUMPUR: Water supply disruptions will occur at several areas here, Klang and Shah Alam from Monday to Thursday due to maintenance works on Syarikat Bekalan Air Selangor Sdn Bhd (Syabas) water supply equipment.

A statement from Syabas said the disruption in the areas between Perimpangan Jalan Tenteram and Jalan Cheras was expected to begin on Monday at 9pm to 6am the next day, while the disruption in the vicinity of Jalan Duta would start on Wednesday at 9pm to 8am the following day.

For Klang and Shah Alam, water supply is expected to be disrupted on Wednesday from 7pm until 8am the following day.

Among the affected areas here are Taman Taynton View, Taman Segar, Taman Midah, Kondominium Duta Vista, Taman Duta and the surrounding areas.

For Klang and Shah Alam, the affected areas are Pulau Ketam, West Port, Kampung Pulau Indah and Kampung Telok Gong.

Consumers are advised to store adequate water supply and to contact the Syabas information centre at 1800-88-5252. — Bernama
